

# Gotta Dig? Gotta Call 811!

## Are you prepared to dig safely?

Chattanooga Gas reminds all do-it-yourselfers and professional excavators to contact **811** by phone or online at **Tenn811.com** before starting any digging project. It protects everyone's safety and it's the law!

Always know what's below and dig with **CARE** by following these simple steps:

- Contact **811** before you dig
- Allow the required time for utility markings
- Respect the marks
- Excavate carefully

For more information about safe digging, visit [chattanoogagas.com/safedigging](https://chattanoogagas.com/safedigging)
